### “SAHAPADIKKORU VEEDU” (House for Classmate)

2018-19 witnessed a torrential rain followed by devastating flood in Kerala affected by majority of the people. The catastrophe affected our own students as well. A landslide destroyed some of their houses and live stocks, and their livelihood and means for education was affected. To ameliorate the situation many voluntary agencies jumped into action. JNTC also participated in relief work and voluntary activities to help the affected as a relief measure. We joined hands with the sister institutions of Jamia in constructing a house for a victim of the flood.
