

JAMIA NADAWIYYA TRAINING COLLEGE EDAVANNA

Malappuram Dt. Kerala

Evaluation in Jamia Nadawiyya Training College Edavanna is :

- **Transparent and Robust**
- **It is Continuous and Comprehensive**
- **Having Internal and External assessment of Teaching skills**
- **Having Grievance Redressal Mechanism in all semesters**
- **Onsite and Faculty Development Programs on assessment practices**

The formative evaluation in the institution is done as per the university rules. A two tier system of evaluation is followed namely, the internal assessment and the external university examinations.

1. Internal assessment

The internal examination cell monitors the conduct of the internal examinations, evaluation and publication of results. Internal assessment consists of teacher assessment , peer assessment and assessment based on written tests , performances and portfolios .

Coordinators : Mr. Sadiq Payanthala and Mr. Sarath RV

2. External Examinations : Includes :

- i. University based Examinations
- ii. Assessment by External Practical Board constituted by University

i.The external examination is conducted at the end of each semester by the university. The examinations are conducted in CCTV installed halls. The external examination cell monitors the conduct of University examinations.

Chief Supdt. : Dr. Abdul Gafoor PK (Principal)

Additional Chief Supdt. : Mrs. Baby Shakeela TS (Asst. Professor)

ii. External Practical Board will be constituted by University and the board members comprehensively assessing all features of the Trainees , like teacher skills , portfolios . Viva voce also to be conducted to know them well both in their knowledge and attitude. External practical board visit will be done after the practice teaching , that is in third semester.

3. Grievance Redressal mechanism

Internal results are to be published in each semester in advance and the we have a two tier Grievance Redressal mechanism. Every subject teacher will be involved in Grievance Redressal in internal examinations , they try to assess them and inform the result in advance . The students will get chances to improve it and they can submit it to the concerned subject teacher at the best.

Institutional Grievance Redressal cell address the grievances which are not solved in the concerned department. Individuals having complaints , will be called for the institutional get-together , their grievances are heard and it will be rectified , if found correct and genuine .

4. Training and workshop

In house , discussions are held in the college on the criteria of assessment based on the University directions. Faculty meeting is used as the venue for active discussion on all aspects of evaluation . Rubrics on assessment , modern assessment practices and the ways and means for marking and grading the students are also discussed in it.
